Thank you for acknowledging my letter I am hopeful that the comission will reaize that this increase will be a huge financial drain on seniors like me. I believe in paying my fair share for my utilities but the flat rate sewer bill is not fair since I am a very conservative user of my utilities and there is no way I can decrease the sewer bill unless it is based on wate consumption which would be fair and equitable hopefully the comission will take this into consideration when this matter comes up for vote.

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of UTILITIES INC and am protesting very strongly the intended rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a senior citizen residing at 3101 point clear dr tega cay. I am extremely opposed to an increase in the flat rate sewer , I can control the amount of electric, gas and water used to keep my bills low but I cannot control an unfair flat rate sewer bill which means no matter how little water I use I am a hostage to a company that will not recognize that as a senior living on a fixed income I am at their mercy. The fair and equitable method needs to be billing on water consumption. It is time the PEOPLES UTILITY COMMISSION WORKS FOR THE PEOPLE THEY WERE APPOINTED TO TAKE CARE OF NOT THE UTILITIES INC. This protest is to be considered a FORMAL COMPLAINT to be taken very seriously by the commission.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Would love to make an appearance to formally protest unfortunately my health does not allow me to do so.
